Gentlemen :-

Your favor of October 29th received, and I thank you very much for consenting to allow me to use your name as my reference in the east, in case I have dealings with parties who do not know me.

Regarding your stock of coins. My collection is getting very nearly complete. I do not gather gold in the $20.00 denomination; however, you will probably hear from me later on.

Your postal card of October 30th, in regard to increase of bids in the Wilcox Sale, received today. Would advise that I have most of the coins that I bid on in my collection, and I was bidding for a friend of mine in Salt Lake City. I could not consistently increase my bids without his consent, and as I have not time to write him and get you theinformation before the 6th or 7th of this month, I would thank you to bid up to what I have given you, and if I procure none, there will be no harm done.

Thanking you for past favors, I remain,

Yours truly,

Gentlemen.

Your letter received and the one relative to the Lesher Dollars I have sent to Mr. Reid Cowell and have requested him to see what he can do. He may be able to get a few of the 1937 at Face but 1936 I doubt very much if they can be had only at a premium and not even that way as they are very scarce. I know Mr. Cowell will do the best he can in the matter but you must not be disappointed if he is unable to obtain either of them.
